

Parking at Bay Court Condominium - Bay Court Condominium – 25 Baycrest Drive – South Burlington, Vt
Parking Lot Rules – See also the Bay Court Community Rules (copies available upon request and posted at <http://www.baycourtv.com/>)

Each home has two designated parking spaces, one in a spot in front of the home marked with the unit number, and one in the carport space allocated to the home. No parking is allowed on the unpaved grounds at any time. No parking is allowed in the fire lanes (marked in Yellow on the map below) at any time, at the flag pole, and in the spaces in front of each entrance area. During November 1 – April 1 (snow season) no cars are allowed in the spaces marked in Black on the map below due to the need to clear snow from the lot. Visitor spaces (as marked on the payment) are for visitors of homeowners and residents for short periods. Longer use of visitor spaces requires written permission from the Board. Parking in a space not designated for the home, without written permission from the Board on file with the Association Secretary and signed by the owner who has been designated the user of the space, will be considered a parking violation. All vehicles in violation of any parking rule are subject to being towed off site at the expense of the vehicle owner.
